Hi Adam,

I've made contact with Implementation Coaches who have signed up and/or with their administrator. I will definitely be at the conference and it looks like there will be one to

two others from the district joining due to the extenuating circumstances. I let Implementation Coaches know that I would communicate their cancellations with you. I also am holding a district-wide implementation coach meeting in May and will communicate the information from the Symposium with them. Thank you for your understanding.

I look forward to seeing you on Monday.

Thanks,  
Tara

Hi Adam,

Thanks for the email. We still are trying to ward off the strike at this point and I'm hoping to have more information for you in the morning. I will be in touch.

Thanks,

Tara

Hi Tara,

I was wondering if you had any information on how the Pueblo 60 teacher strike on Monday would affect those who registered for the BPEG Symposium? I know some districts closed school during strike days so I thought I would ask.

Thanks,

Adam
